

JESSICA BRUNSSSEN

Videographer
Graphic Designer
Media Produciton

OBJECTIVE

Leverage my skills as a videographer, photographer, and graphic designer to address client requirments through creative content solutions delivering high quality with great client satisfaction.

ABOUT ME

I have a passion for travel, photography, all things movies and T.V. for their stories and production value. I'm a reader with a curious mind. I enjoy being around people, but am also just as content at home engrossed in my various creative passions.

WORK HISTORY

Palm Valley Lutheran Church, Austin, Texas

October 2020 - Present:

Directing, producing, and editing three 25+ minute video church services weekly.

Script, story board, video, and edit podcasts, as well as monthly and weekly news progam styled update for the congregation.

Collaborated with reseach marketing firms to update our web presence.

Offical photgrapher for church events such as confirmations, babtisms, vaction bible school, and other special church events.

Create custom motion and visual graphics for videos, church events, programs, and social media.

Direct, script, video, and edit various church dramas and plays throughout the church year.

Write and send out congregational emails and social media posts.

Planning events such as Fall Fair, Christmas and Easter events, and other special events,

Stokes Sign Company, Lakeway, Texas

October 2019 - March 2020:

Gathered client requirments and worked with a team to design and produce custom solutions to satisfy the clients needs.

Designed and created graphics for signs, decals, and stickers that were sold by the company.

TVD Designs, Round Rock, Texas

May 2018 - October 2019:

In charge of creating logos, marketing materials, and printed materials for customers and for the company. Worked to set up booths for various festivals and events around the Austin area.

FREELANCE WORK

SDI International, Austin, Texas

Migrated technical content from the IBM DeveloperWorks environment to the IBM Developer website using Github and other online tools provided by the IBM Developer team.

Used: GitHub, HTML, XML

Eremos, Austin, Texas

Met with the client to gather requirments and establish a script for a video memorializing the past years worth of events and programs.

Directed and videoed interviews with multiple friends, clients, employees, and VIPs for raw content.

Gathered previously recorded video content as well as written content for use in the final product.

Chose appropriate music for final product.

Designed, edited, and produced final product that met the clients needs.

Used: Photoshop, Premiere, After Effects

FREELANCE WORK (continued)

Palm Valley Lutheran Church, Austin, Texas

Worked with church staff to produce quality logos and promotional advertisements within timelines specified.

Used: Illustrator, InDesign, Photoshop

Magnum Engineering, Austin, Texas

Met with CEO to discuss and design multiple mock-ups to be used as a template for a complete redesign of their website.

Used: Illustrator, Photoshop, InDesign, HTML, Powerpoint

E3 Alliance, Austin, Texas

Worked with E3 staff to create multiple promotional videos for E3 to present at board meetings and fundraising events.

Used: Premiere, After Effects, Illustrator, Powerpoint
